Tension in UP village after 7 monkeys found dead

BADAUN, SEPT 6 /--/ The recovery of seven dead monkeys from a village in Usawan here sparked tension among villagers, police said on Tuesday.

Some persons killed monkeys and threw their bodies outside the Gura Barela village on Monday, Divisional Forest Officer (DFO) Ashok Kumar said. "A video, which shows the monkeys with their hands tied and black oil on their eyes, has also gone viral," the DFO said. The police have registered an FIR

following a complaint by the forest department in this regard under the Wild Life (Protection) Act and Prevention of Cruelty to Animals Act, he said. The bodies of the monkeys had been sent to the Indian Veterinary Research Institute for post mortem, he added.

Usawan Police Station Section House Officer Mahendra Singh said the police had begun a probe and strict action would be taken against the culprits.

UP Cyber Police busts Rs 15 cr 'currency trading' fraud, nab 1 from MP

NOIDA, SEPT 6 /--/ With the arrest of one person from Madhya Pradesh, the Cyber Crime wing of Uttar Pradesh Police on Tuesday claimed to have busted a pan-India "currency trading" fraud involving fake demat

Around 500 accounts were opened and people duped to the tune of Rs 15 crore by a gang, whose key member has been arrested from Dewas in MadhyaPradesh, police said. A team from the Cyber Crime police station in Noida led by Inspector Reeta Yadav was investigating a complaint of a Ghaziabad resident, who claimed that he was duped of Rs 15 lakh on the pretext of investment in currency trading. The arrested person was identified as Shoib Mansoori (24), the Uttar Pradesh Cyber Police said in a statement. "He is a key member of a gang that has cheated people of crores of rupees by opening demat accounts in the name of currency trading," police said. Explaining the modus operandi of the gang, the police said Mansoori opened the accounts after getting his partners to call up potential targets.

The gang had opened an office in the name of 'Amdani Solution' in Indore, Madhya Pradesh. "To access all the demat accounts, the admin used to keep the user ID and password with himself. A fraudulent android application for trading -- MetaTraders -- was created that could be downloaded from Play Store," police said in the statement. The money was taken from the customer in different bank and demai accounts. (PTI)

global temperature rise to well below 2 degrees Celsius above pre-industrial levels, while aiming for 1.5 degrees Celsius to avoid the worst impacts of climate change. Net zero means achieving a balance between the $greenhouse\,gases\,put\,into\,the$ atmosphere and those taken out. "Climate change is perhaps the biggest existential challenge that humanity and our planet have ever faced. It is time for concerted action across the world for effective and adequate mitigation. This needs to be combined with adaptation efforts to manage the inevitable impact of the warming," Yadav said. He said the developed countries are progressing at the cost of developing their counterparts. For instance:

pledges made by countries to

meet the goal of maintaining

the pre-industrial era.

India has contributed only

around 4 per cent of global

cumulative emissions since

Even as the fastestgrowing large economy, its per capita emissions are only about one-third of the global average. It is the cumulative emissions predominantly

Block Development Officer Barasat-II Development Block North 24 Parganas against climate change. Our climate actions today are certainly in excess of our moralorlegalresponsibility,' the minister said. At the recently-held environmental and climate ministerial meeting in Bali, Indonesia, Yadav had said India is showing intent as a problem solver despite not being traditional contributor to global emissions. On Tuesday, he said the low-carbon development strategies as enunciated in Prime MinisterNarendra "Panchamrit" strategy highlight the need to decouple the development process from environmental degradation. The updated NDC presented Modi's vision of LIFE which stands for "Lifestyle for Environment". The Paris Agreement has $also\,underlined\,the\,adoption$ of practices that are in harmony with nature, he said. The minister said India's sheer size and scope for growth is an indication thatits energy demand will also grow faster than any other economy. "But on our path to achieving net zero, most of

renewable and non-fossil fuel sources in the power sector,' he said. (PTI)

the growth in the energy
