11. VOTING THROUGH ELECTRONIC MEANS:

1. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended from time to time and regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 (Listing Regulations), the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of

casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by **Central Depository Services (India) Limited**.

2. The facility for voting either through electronic voting system or ballot paper or polling paper shall also be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting.

3. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

4. The remote **evoting period commences from 26th September, 2024 at 9.00 a.m. and ends on 29th September, 2024, 5.00 p.m.** During this period equity shareholders of the Company holding shares either in physical form or dematerialized form as off the **cut off date of 23rd September, 2024** may cast their vote by remote evoting. The remote evoting shall be disabled by CDSL thereafter. Once the vote on a resolution is cast by a member, he/she shall not be able to allowed to change is subsequently.

The voting rights shall be in proportion to their equity shareholding in the paid equity share capital of the company as on cut-off date.

5. Priyanka Sengupta, Priyanka S. & Associates, Practicing Company Secretaries, (Membership No.F8523, CP No.11771) has been appointed as the Scrutinizer to scrutinize the Evoting process in a fair and transparent manner.

6. The Scrutinizer shall immediately after the conclusion of voting at the meeting, first count the votes casted at the meeting, thereafter unblock the votes casted through remote e-voting in the presence of at least 2 witnesses not in the employment of the Company and make, not later than 3 days of conclusion of the meeting and after scrutinizing such votes received shall make a Scrutinizer's report of the votes cast in favor or against or invalid votes in connection with the resolution(s) mentioned in the Notice of the Meeting and submit the same forthwith to the Chairman of the Company.

7. The Results of E-voting along with Scrutinizer's report shall be placed on the website of the Company thereafter and shall also be communicated to the Stock Exchanges. The Resolutions shall be deemed to be passed, if approved, on the date of AGM.

8. The process and manner for remote e-voting are as under:

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 26th September, 2024, 9.00 A.M and ends on 29th September, 2024, 5 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for **Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Industry structure and developments:

Victor Commercial Company Limited is a non deposit taking Non-Banking Financial Company (NBFC) registered with Reserve Bank of India since 2004.

NBFCs are an integral part of the country's financial system complementing the services of commercial banks. The main reason attributed to the growth of NBFCs is the comprehensive regulation of the banking system. Other factors include higher level of customer orientation, lesser pre/post sanction requirements and higher rates of interest on deposits being offered by NBFCs. The activities of NBFCs in India have undergone qualitative changes over the years through functional specialization. The role of NBFCs as effective financial intermediaries has been well recognized as they have inherent ability to take quicker decisions, assume greater risks, and customize their services and charges more according to the needs of the clients. While these features, as compared to the banks, have contributed to the proliferation of NBFCs, their flexible structures allow them to unbundle services provided by banks and market the components on a competitive basis.

Opportunities and Threats

We, in the NBFC sector still have a lot of scope to cover larger markets and tap the rural markets. There is an increased desire in the individuals to increase their standard of living, giving us opportunities to cater to a new category of clientele apart from the corporate clients.

The performance of the Company is related the economic growth of the country. If the economic downturn is prolonged it can reduce the financing need of people due to shrinking business opportunities and adversely affect our business. Further, the stringent norms governing the functioning of NBFC, certain Government restrictions and changes in the policy by the Government may act as a hindrance in smooth functioning.

Segment wise or product wise performance

Your Company is engaged in Investment and renting of Properties.

Outlook

The outlook of the Company is bright in future. Barring unforeseen circumstances, the company expects to perform satisfactorily during the next year.

Risks and concerns

NBFCs in India are subject to supervision and regulation by the RBI. Any changes in the regulatory framework affecting NBFCs could adversely affect the profitability of our business and our future financial performance. Our performance is also influenced by the macro economic factors determining the growth of the Indian economy in general. Any slow down in the Indian economy or any changes in government policy could adversely impact our financial performance. The Company's operation involves inbuilt risk due to uncertain economic conditions and unforeseen events beyond the Company's control.

Internal control systems and their adequacy

Your Company has adequate system of strong internal control for business processes, with regard to operations, financial reporting, compliance with applicable laws and regulations, etc. Regular internal audits and checks ensure that

responsibilities are executed effectively. The Board of Directors actively reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening the existing control system in view of changing business needs from time to time.

Discussion on financial performance with respect to operational performance

The financial year under review was moderate for the Company from the financial and operational performance point of view. Barring unforeseen events, the management expects to achieve good results in the coming years.

Material developments in human resource/Industrial Relations front, including no. of people employed

The Company looks upon its manpower as the most important tool in its growth and future progress and therefore attaches paramount importance to its employees. The Company seeks to inculcate the sense of belonging with the Company among the employees. The Company regularly takes necessary steps for the development of its human resources.

Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefor, including:

There are no significant changes in the key financial ratios.

Disclosure of Accounting Treatment:

The financial statements are prepared as per the Indian Accounting Standard

The above statements are to be viewed with caution and judicious understanding as the Company's operations involve inbuilt risk due to uncertain economic conditions and unforeseen events beyond the Company's control.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF VICTOR COMMERCIAL COMPANY LIMITED
REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

Opinion

We have audited the financial statements of **Victor Commercial Company Limited** ('the Company'), which comprises the Balance Sheet as at 31st March, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, and the Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a Summary of Material Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and the **Profit** and total comprehensive income, Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined there are no Key Audit Matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report and Shareholders Information, but does not include the financial statements and our auditors report thereon. The Board Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility And Those Charged With Governance For The Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of user taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report On Other Legal And Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in term of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order.

1. As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness on the Company's internal financial control over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note to the Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure B to Independent Auditors' Report on the Audit of the Financial Statements

(Referred to in Para 2(g) of Auditors' 'Report on other Legal and Regulatory Requirements' of our report of even date)

We have audited the Internal Financial Controls Over Financial Reporting of Victor Commercial Company Limited ("the Company") as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate information

Victor Commercial Company Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 1956. The registered office of the Company is located at Flat GC. 1, Merlin Park, Kolkata, West Bengal – 700019.

The Company is a Non-Banking Finance Company and is registered with the Reserve Bank of India.

2. Material Accounting Policies

2.1. Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

For all periods up to and including the year ended March 31, 2019, the Company prepared its financial statements in accordance with the applicable Accounting Standard as notified by the Companies Accounting Rules, 2014, under the historical cost convention, on accrual basis, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

The financial statements for the year ended March 31, 2021 are prepared adopting the Indian Accounting Standards (Ind AS) for the first time. The Company adopted Ind AS in accordance with Ind AS 101- "First-time Adoption of Indian Accounting Standards". The date of transition to Ind AS is April 01, 2018 ("transition date"). The transition was carried out from the previously applicable Indian GAAP as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The figures have been presented in accordance with the format prescribed for financial statements for a Non-Banking Finance Company (NBFC) whose financial statements are drawn up in compliance of the Companies (Indian Accounting Standards) Rules, 2015, in Division III.

2.2. Basis for Preparation

a. Historical Cost Convention

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) certain financial assets and liabilities (including derivative instruments) that is measured at fair value;
- ii) defined benefit plans – plan assets measured at fair value;

b. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Company takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Functional and Presentational Currency

These financial statements are presented in Indian Rupee (INR) which is also the functional currency.

d. Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future period affected. Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the accounting policies and/or the notes to the financial statements.

2.3. Borrowing Costs

Borrowing costs include interest expense and other costs incurred in connection with borrowing of funds. Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset (net of income earned on temporary deployment of funds) are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

2.4. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Classification of Financial Instruments

At initial measurement, the Company classifies its financial assets into the following measurement categories:

1. Financial assets to be measured at fair value through other comprehensive income;
2. Financial assets to be measured at fair value through profit or loss account.

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets which are explained below:

Business Model Assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

The Solely Payments of Principal and Interest (SPPI) test

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset.

In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

b. Financial Assets

i. Initial recognition and measurement

All financial assets are recognized initially at fair value. In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are also considered.

ii. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (a) Investment in Mutual Funds are measured at fair value through profit or loss (FVTPL)
- (b) Equity instruments and investment in Preference Shares are measured at fair value through other comprehensive income (FVTOCI)

(a) Mutual Funds at fair value through profit or loss (FVTPL)

Mutual Funds shall be measured at fair value through profit and loss (FVTPL) unless it is measured at fair value through other comprehensive income, which generally occurs when the SPPI criterion is not met by the debt instrument.

(b) Equity instruments and Preference Shares measured at fair value through other comprehensive income (FVTOCI)

For all equity instruments other than the ones classified as at FVTPL, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

iii. Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the balance sheet) when the rights to receive cash flows from the asset have expired.

2.5. Contingent Liabilities and Contingent Assets

Contingent liability is disclosed for:

- (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are disclosed when probable and recognised when realisation of income is virtually certain.

2.6. Employee Benefits

a. Short-term Employee Benefits:

Short-term employee benefits are recognized as an expense on accrual basis.

b. Defined Benefit Plans:

The obligation in respect of defined benefit plans, which covers Gratuity, are provided for on the basis of an actuarial valuation at the end of each financial year.

Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings, and will not be reclassified to profit or loss. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

The Company presents the first two components of defined benefit costs in Statement of Profit and Loss in the line item 'Employee Benefits Expense'.

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined by reference to market yields at the end of the reporting period on government bonds.

The retirement benefit obligation, recognized in the Balance Sheet, represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this

calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in the future contribution to the plans.

c. Other Long-Term Employee Benefits

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employee render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in statement of profit and loss.

2.7. Taxes on Income

Income tax expense comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or Other Comprehensive Income. In such cases, the tax is also recognised directly in Equity or in Other Comprehensive Income.

2.8. Use of Critical Estimates, Judgements And Assumptions

The preparation of the financial statements requires the use of accounting estimates, which, by definition would seldom equal the actual results. Management also needs to exercise judgment and make certain assumptions in applying the Company's accounting policies and preparation of financial statements.

In the process of applying the Company's accounting policies, management has made the following judgments, which have most significant effect on the amounts recognised in the financial statement:

a. Estimation of Defined benefit obligations

The cost of the defined benefit plans and the present value of the obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increase is based on expected future inflation rates.

b. Estimated fair value of unlisted securities

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined on Net Worth basis.

2.9. Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i) Finance leases:

- A. Leases where the Company has substantially transferred all the risks and rewards of ownership of the related assets are classified as finance leases. Assets under finance lease are capitalised at the commencement of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.
- B. Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease.

ii) Operating leases: The leases which are not classified as finance lease are operating leases.

- A. Lease rentals on assets under operating lease are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.
- B. Assets leased out under operating leases are continued to be shown under there respective class of assets. Rental income is recognised on a straight-line basis over the term of the relevant lease.

2.10. Write Off

The Company writes off when it has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

VICTOR COMMERCIAL COMPANY LIMITED

Notes to the Financial Statement for the Year Ended 31.03.2024

Accounting Policy:

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at carrying amount i.e. at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes all direct cost related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy.

For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per Previous GAAP less accumulated depreciation and cumulative impairment on the transition date of April 1, 2018.

Depreciation is recognized using reducing balance method so as to write off the cost of the assets less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognized in profit or loss.

The Company has not disclosed the fair values for cash and cash equivalents, bank balances, Trade Receivables, Loans, term deposits, trade payables and other financial liabilities as these are short term in nature and their carrying amounts are a reasonable approximation of fair value.

B. Measurement of Fair Value

i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as their fair values as there is no material differences in the carrying values presented.

ii) Financial Instruments - Fair Value

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement). The categories used are as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;

Level 2: The fair value of financial instruments that are not traded in active market is determined using valuation technique which maximizes the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value on instrument are observable, the instrument is included in level 2; and

Level 3: If one or more of significant input is not based on observable market data, the instrument is included in level 3.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.

iv) Valuation Techniques (Investment in Equity Instruments)

The majority equity instruments held by the Company are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1. Investments in mutual Funds are valued as per the NAV prevailing at the end of the financial years and such investments are classified as level 1. Equity investments in unquoted instruments are fair valued using the valuation technique and accordingly classified as level 3.

C. Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

C. 1 Capital Management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

Note 37

Financial Risk Management Objectives and Policies.

The Company's principal financial liabilities comprise trade payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investments, Trade Receivables and Cash and Cash equivalents that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

1) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

The Company's exposure to credit risk for loans and advances by type of counterparty is as follows:

(Figure in '000)

PARTICULARS	Carrying Amount	
	As At 31.03.2024 (₹)	As At 31.03.2023 (₹)
Trade Receivables	160.82	162.73
Loans	-	-

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the trade receivables are categorised into groups based on days past due.

Investments

The major investments of the Company is in the group companies, investment in quoted shares and mutual funds.

The company has also made investments in the units of mutual funds on the basis of risk and returns of the respective scheme.

Cash and cash equivalent and Bank deposits

Credit risk on cash and cash equivalent and bank deposits is limited as the Company generally invests in term deposits with banks.

VICTOR COMMERCIAL COMPANY LIMITED

Notes to the financial statement for the year ended March 31, 2024

2) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Company is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The Company manages its liquidity by term loans, inter-corporate deposit and investment in mutual funds.

The table below summarises the maturity profile of the Company's non-derivative financial liabilities based on contractual undiscounted payments along with its carrying value as at the balance sheet date.

	Upto 12 Months	More Than 12 Months	Total
As At 31.03.2024

Debt securities	-	-	-
Borrowings	-	-	-
Trade Payable	148.32	57.00	205.32
	-	-	-

3) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Note 38

The above financial statements have been reviewed by the audit committee and subsequently approved by the Board of Directors at its meeting held on 30-05-2024.
